

Completed Clean Certification

Customer name: _____

Items cleaned: _____

have been cleaned with an approved EN14476 cleaning product.

Product used: M-Power+

M-Power+ has been tested to ensure that all compounds that are considered toxic or otherwise hazardous to the operator or the environment are not present.

Manufactured from 100% natural plant based materials, M-Power+ is derived from renewable/sustainable sources. It's fully biodegradable and exhibits antibacterial & anti-viral properties thanks to its unique natural-molecular cleaning action.

M-Power+ is effective against all enveloped viruses as defined in EN 14476:2013 + A2:2019 Annex A. This therefore includes all coronaviruses, Monkeypox and SARS-CoV-2.

(SARS-CoV-2 is the virus that causes the illness COVID-19)
